SCHEDULE

This Schedule describes some of the terms and conditions of the Policy including the deductibles, benefit maximums, exclusions and limitations. For a complete description of the terms and conditions of the Policy, refer to the appropriate section of the Certificate.

A person is not necessarily entitled to insurance under the Policy because he or she received this Schedule. A person is only entitled to insurance if he or she is eligible in accordance with the terms of the Certificate.

There will be no difference in Policy benefits, deductibles, or maximums between In-Network and Out-Network.

Reimbursement for covered emergency care will be the same regardless of whether the services are rendered In-Network or Out-Network.

All Providers are independent contractors; they are not our employees or agents. We do not supervise, control or guarantee the outcome or results of any services or supplies furnished by any Provider. Your relationship with a Provider is that of provider and patient. The Provider is solely responsible for the services and supplies provided to you.

Deductible

The following Deductibles must be satisfied by you and each of your Dependents each Policy Year before any benefits are payable. If an Insured Person has been covered by a Prior Plan, any Deductible satisfied by them under the Prior Plan during the current Policy Year will be applied toward the satisfaction of their Deductible under the Policy for the same Policy Year.

Percentage Payable

If you or your Dependents receive a Covered Service described in this Schedule after the completion of any applicable waiting periods and the satisfaction of the Deductible, we will pay benefits according to the percentage of the Maximum Allowance shown in this provision, not to exceed the amount of the charge.

Policy Year Maximum Benefit

The Policy Year Maximum Benefit will apply each Policy Year. This maximum benefit is the total amount of benefits payable for Type A, B and C Covered Services received by you or your Dependents during a Policy Year. After we have paid benefits equal to the Policy Year Maximum Benefit, no additional benefits are payable for Covered Services received during the same Policy Year.

The Orthodontia Lifetime Maximum Benefit will apply for each Insured Person once while insured under any Policy. The amount of benefits payable under the Policy for orthodontia services and/or supplies will be reduced by the amount of Covered Expenses for orthodontia services and/or supplies received while covered under any Prior Plan.

	In-Network	Out-Network

Predetermination of Benefits

A predetermination of your benefits is available upon request. This will provide you and your dentist with information regarding a future course of treatment, allowing you to discuss treatment options with your dentist, including less expensive

alternative treatment plans, or terms of payment to the dentist. Your dentist can submit a predetermination request on your behalf by completing a standard dental claim form and submitting it to:

ELIGIBILITY

Capitalized terms used in this section have the meanings assigned to them in the Definitions section of this Certificate.

WHEN YOU BECOME ELIGIBLE FOR INSURANCE (ELIGIBILITY WAITING PERIOD)

If you complete the 30 day Eligibility Waiting Period on or before the Policy Effective Date, you become eligible for insurance on the Policy Effective Date.

If you are not eligible for insurance on the Policy Effective Date, or you are hired after the Policy Effective Date, you become eligible for insurance on the day after you complete the 30 day Eligibility Waiting Period.

The day you become eligible for insurance may not be the same as the day insurance begins. The WHEN INSURANCE BEGINS FOR YOU provision describes the day insurance begins.

WHEN A DEPENDENT BECOMES ELIGIBLE FOR INSURANCE

Provided you elect insurance for yourself, your Dependents become eligible for insurance on the later of:

- a) the day you become eligible for insurance; or
- b) the day you acquire the Dependent.

If both you and your Spouse are eligible for and elect insurance as Employees:

- a) neither you nor your Spouse may elect insurance as a Dependent of the other person; and
- b) both you and your Spouse may elect insurance for your Dependent children.

The day a Dependent becomes eligible for insurance may not be the same day insurance begins. The WHEN INSURANCE BEGINS FOR YOUR DEPENDENT provision describes the day insurance begins.

WHEN INSURANCE BEGINS FOR YOU

You must enroll for any insurance requiring an election by submitting a Written Request for insurance. The Written Request must be submitted to the Policyholder no later than 31 days after the day you become eligible. If the Written Request for insurance is not submitted within the required timeframe, you may not enroll until a Subsequent Enrollment Period is offered.

You become insured on the first day of the month which follows the latest of the day:

- a) you become eligible and are Actively Working; or
- b) your Written Request is properly completed and signed, if required.

WHEN INSURANCE BEGINS FOR YOUR DEPENDENT

You must enroll your eligible Dependents for insurance requiring an election by submitting a Written Request for insurance. The Written Request must be submitted to the Policyholder no later than 31 days after the day your Dependents become eligible. If the Written Request for insurance is not submitted within the required time frame, you may not enroll your eligible Dependents until a Subsequent Enrollment Period is offered.

An eligible Dependent will become insured on the latest of the day:

- a) you become insured;
- b) you acquire the eligible Dependent; or
- c) your Written Request to enroll the Dependent is properly completed and signed, if required.

Insurance for a Dependent child who became Incapacitated prior to reaching the age of 26 begins in accordance with the above terms, provided the child otherwise meets the definition of Dependent.

Insurance for a newborn child begins at the moment of live birth. Insurance for a newly adopted child begins with the date of placement for adoption whether or not the adoption is final or at the moment of live birth, if a written agreement to adopt the child was previously entered into by you. If Dependent child insurance for any other child is not already in effect, a Written Request for insurance for any newborn or newly adopted Dependent child must be submitted to the Policyholder within 31 days after the day the Dependent child becomes eligible in order to continue insurance beyond the 31-day period. If Dependent child insurance is already in effect, you may add the new child at any time prior to their third birthday. If the child is not added prior to turning age 3, you may not enroll the child until a Subsequent Enrollment Period is offered.

FIRST ENROLLMENT PERIOD

You may elect insurance for you and any eligible Dependents during your First Enrollment Period.

If you do not elect insurance during your First Enrollment Period, any future election may only be made in accordance with the SUBSEQUENT ENROLLMENT PERIOD provision, or as otherwise provided under the WHEN ELECTION CHANGES ARE PERMITTED provision.

SUBSEQUENT ENROLLMENT PERIOD

You may elect, drop, or change insurance for you or your Dependents during a Subsequent Enrollment Period.

WHEN ELECTION CHANGES ARE PERMITTED

Life Events

The Policyholder has chosen to provide these insurance benefits under a Section 125 cafeteria plan. A cafeteria plan permits you to elect to pay your share of the cost of insurance with pre-tax dollars and permits you to change your elections only when specific life events occur, other than during a Subsequent Enrollment Period. You may make an election change by submitting a Written Request to the Policyholder within 31 days after the date of a life event.

Life events are described in the Policyholder's cafeteria plan. Contact the Policyholder for information regarding the election changes that are permissible under the Policyholder's cafeteria plan.

REINSTATEMENT OF INSURANCE

You may be eligible to reinstate insurance that has ended in accordance with this provision. For any insurance requiring an election, you must submit a Written Request to reinstate insurance within 31 days of your return to Active Work. A standard enrollment form may be used for this request. If the Written Request is submitted more than 31 days after the date you return to Active Work, you may not re-enroll for insurance until a Subsequent Enrollment Period is offered. If insurance is reinstated for you, insurance may also be reinstated for any eligible Dependents.

Reinstated insurance will take effect on the first day of the month that follows the date of the Written Request. If you are not Actively Working on the day the reinstated insurance would otherwise take effect, insurance will become effective on the day after you return to Active Work.

Non-Payment of Premium or Voluntary Termination of Insurance

If insurance ends because you do not pay premium or you voluntarily terminate insurance, you may not re-enroll for insurance until a Subsequent Enrollment Period is offered.

Involuntary Reduction in Hours

If insurance ends because you are no longer Actively Working due to an involuntary reduction of hours worked, insurance may be reinstated without satisfying another Eligibility Waiting Period if you return to Active Work and there is no break in employment with the Policyholder after the date insurance ended.

Rehired Due to Layoff or Termination

If insurance ends because you are no longer Actively Working due to layoff or termination of employment with the Policyholder, insurance may be reinstated without satisfying another Eligibility Waiting Period if you are rehired and return to Active Work within 90 days from the date insurance ended.

Rehired Due to Leave of Absence

If insurance ends because you are no longer Actively Working due to an approved leave of absence, including military leave, insurance may be reinstated within 90 days from the date insurance ended without satisfying another Eligibility Waiting Period upon your return to Active Work. If insurance ends because you are no longer Actively Working due to military leave, insurance may be reinstated upon return to Active Work within 31 days of discharge from active duty without satisfying another Eligibility Waiting Period.

WHEN INSURANCE ENDS

Unless otherwise stated or allowed in the Policy, insurance ends on the earliest of:

- a) the last day of the month you or your Dependent are no longer eligible for insurance;
- b) the day in which your Dependent child is no longer eligible for insurance due to age limitations;
- c) the last day of the month you or your Dependent begin active duty in the Armed Forces, National Guard or Reserves of any state or country (except for temporary active duty of 31 days or less);
- d) the day the Policy terminates; or
- e) in accordance with the GRACE PERIOD provision.

If insurance ends, it may be reinstated as described in the REINSTATEMENT OF INSURANCE provision in the Eligibility section of this Certificate.

GRACE PERIOD

There is a grace period of 31 days for payment of premium. This means that, except for the initial premium, if premium is not paid on or before the date it is due, the premium must be paid in the 31-day grace period that follows. We consider premium to be paid on the date we receive it.

Insurance will stay in force during the grace period. If we receive written notice requesting cancellation of insurance on a current or future date, the grace period will not apply. Coverage will end on the cancellation date specified in such notice, as long as the full premium has been paid up to that date.

If premium is not paid by the end of the grace period, insurance will end the day after the last day of the grace period.

EXCEPTIONS TO WHEN INSURANCE ENDS

If insurance for you and/or your Dependents would otherwise end, you or your Dependents may be eligible to continue insurance under one of the following provisions:

- a) CONTINUATION OF INSURANCE FOR LAYOFF, LEAVE OF ABSENCE OR PAID SEVERANCE
- b) COBRA CONTINUATION

CONTINUATION OF INSURANCE FOR LAYOFF, LEAVE OF ABSENCE OR PAID SEVERANCE

If there is a conflict between this provision and any other provision of the Policy, this provision controls.

You may be able to continue insurance for you and your Dependents from the day you cease to be Actively Working in the event of:

- a) a temporary involuntary layoff;
- b) a personal leave of absence approved by the Policyholder due to:
 1. an injury or sickness; or
 2. any other personal reason.

In addition, the federal Family Medical Leave Act (FMLA) and Uniformed Services Employment and Reemployment Rights Act (USERRA) and any amendments thereto, as well as certain state laws, allow continuation of insurance in certain instances. Contact the Policyholder for additional information regarding any other continuation options that may be available.

You may also be able to continue insurance from the day you cease to be Actively Working if you are entitled to and receive paid severance from the Policyholder. Contact the Policyholder to determine if this continuation option is available.

Any insurance continued under this provision is subject to the following conditions.

- a) Insurance may not be continued beyond the earliest of:
 1. end of month;
 2. the time period allowed by FMLA, USERRA or applicable state law that allows for continuation; or
 3. the time period during which you receive paid severance.
- b) The amount of insurance for any Insured Person may not be increased while insurance is continued under this provision.
- c) We receive verification of the approved layoff, leave, reduced hours, or severance from the Policyholder.
- d) We continue to receive premium payment when due (premiums must be paid by you or on your behalf).

Insurance under this provision ends on the earliest of the day:

- a) the time period in a) in the preceding paragraph has been satisfied;
- b) your temporary involuntary layoff becomes permanent;
- c) you return to Active Work;
- d) you begin full-time employment with an employer other than the Policyholder; or
- e) the Policy terminates.

See the OPTIONS FOR PAYMENT OF PREMIUM FOR CONTINUED INSURANCE provision for premium payment options.

COBRA CONTINUATION

The COBRA CONTINUATION provision applies only if the Policyholder employed 20 or more employees on at least 50 percent of its business days during the preceding calendar year.

For You and Your Dependents

You and/or any insured Dependent who is a Qualified Beneficiary may elect to continue insurance under the Policy for as long as 18 months from the day your coverage ends because of these qualifying events:

- a) your employment terminates (other than due to gross misconduct); or
- b) you no longer satisfy the requirements for hours worked.

If an Insured Person is determined, in accordance with Title II or XVI of the Social Security Act, to have been disabled at any time during the first 60 days of continued coverage, the reference to 18 months in the preceding sentence is deemed a reference to 29 months. Notice of such determination must be given to the Plan Administrator before the first 18 months of continued coverage ends and within 60 days of the date of the determination. Refer to the Payment of Premium section below.

During the period you continue coverage:

- a) any new eligible Dependents you acquire may be added in accordance with the WHEN A DEPENDENT BECOMES ELIGIBLE FOR INSURANCE provision; and
- b) any eligible Dependents you declined to insure before your continued insurance under the Policy began may be added during any open enrollment period provided by the Policy provided any additional premium is paid. However, such Dependents, other than a Qualified Beneficiary, who are added after the qualifying event will not be entitled to continue coverage as Qualified Beneficiaries after an event occurs as shown in the For Your Dependents Only section below.

For Your Dependents Only

Your insured Spouse who is a Qualified Beneficiary and/or each of your insured Dependent children who is a Qualified Beneficiary may elect to continue insurance under the Policy for as long as 36 months from the day coverage ends because of these qualifying events:

- a) you die;
- b) you become entitled to Medicare benefits;

- c) you and your Spouse are legally separated;
- d) your marriage is ended by divorce; or
- e) a child is no longer an eligible Dependent.

If your Dependent is already continuing coverage under the *For You and Your Dependents* section above when an event shown in the *For Your Dependents Only* section occurs, that second event will not entitle your Dependent to continue coverage beyond 36 months under the *For You and Your Dependents* and *For Your Dependents Only* sections combined.

If your Dependent becomes entitled to continue insurance under both the *For You and Your Dependents* and *For Your Dependents Only* sections on the same day, the periods of continued coverage will run concurrently and will not exceed 36 months.

Notice Requirements

Your employer is required by law to notify the Plan Administrator within 30 days after your termination of employment, reduction in hours, death or entitlement to Medicare. You must notify the Plan Administrator within 60 days after the day you are legally separated or divorced, or your child ceases to be an eligible Dependent.

If an Insured Person is determined, in accordance with Title II or XVI of the Social Security Act, to have been disabled at any time during the first 60 days of continued coverage, that person must:

- a) notify the Plan Administrator within 60 days of the date of the determination and before the first 18 months of continued coverage ends; and
- b) notify the Plan Administrator within 30 days of the date of any final determination that he or she is no longer disabled. Then, continued coverage ends the first day of the month that begins more than 30 days after the date of such final determination.

Within 14 days after receiving notice of a qualifying event, the Plan Administrator will send you or your Dependent written notice of the continuation right. The Plan Administrator must receive your or your Dependent's written request to continue insurance under the Policy within 60 days after the day:

- a) insurance ends; or
- b) the Insured Person is sent notice of the continuation right; whichever is later.

Payment of Premium

To continue coverage, you or your Dependent must pay the required premium, including any retroactive premium. The initial premium must be paid to the Plan Administrator within 45 days after the day continued coverage is elected. The Plan Administrator will inform you or your Dependent of procedures to pay subsequent monthly premiums.

End of Continuation

An Insured Person's continued insurance will end at midnight on the earliest of:

- a) the day your employer ceases to provide any group dental plan to any employee;
- b) the day premium is due and unpaid;
- c) the day the Insured Person is covered under any other group dental plan as an employee or otherwise; however, this does not apply when the Insured Person is covered under a similar group plan which contains any preexisting condition limitations which apply to that person. Then, he or she may continue coverage under the Policy until the earlier of:
 - 1. the day the preexisting conditions limitation under the new group plan no longer applies; or
 - 2. the day continued coverage would otherwise end;
- d) 18 months (or 29 months or 36 months as provided above) from the day your coverage ends under the Policy;
- e) the day an Insured Person again becomes covered under the Policy;
- f) the day an Insured Person is entitled to benefits under Medicare;
- g) the day the Policy terminates.

Other Continuation Provisions

In the event insurance is continued under any other continuation provisions of the Policy, the periods of continued coverage will run concurrently. If another continuation provision provides a shorter continuation period for which premium is paid in whole or in part by your employer, then the premium you are required to pay may increase for the remainder of the 18-month, 29-month, or 36-month period provided above.

OPTIONS FOR PAYMENT OF PREMIUM FOR CONTINUED INSURANCE

When insurance is continued, we must receive premium payment when due (premiums must be paid by you or on your behalf) for insurance to remain effective. This can occur in one of the following ways:

- a) the Policyholder may pay the premiums; or
- b) you may pay premium to the Policyholder who will then submit premium to us.

Contact the Policyholder to determine which option is available to you.

Payment of premium does not guarantee eligibility for coverage.

Notice

If the administration of the Policy is subject to the Employee Retirement Income Security Act of 1974 (ERISA), you may contact the U.S. Department of Labor, Employee Benefits Security Administration (EBSA) for further review of your claim or to ask questions about your rights under ERISA.

REFUND TO US

We also have a right to a refund for any payments due to:

- a) fraud or misrepresentation;
- b) any error we make in processing a claim;
- c) you or your agent's failure to provide complete information; or
- d) you or your Dependent not being eligible for coverage.

You or the recipient of benefits must reimburse us in full. We will determine the method the repayment is to be made, including without limitation, reducing or withholding any benefits payable under this or any other group insurance policy issued by us. We will credit any such payments to the refund until the refund is fully recovered.

If it is found that we paid less benefit than we should have paid under the Policy, we will make additional payments, as necessary.

INDEPENDENT EXAMINATION

While the claim is pending, we may require an Insured Person to be examined by a Dentist as we direct to assist in determining whether benefits are payable. You may not impose any conditions on an examination such as pre-approval of the examiner, attendance of a third party or audio/video recording of the examination.

We will pay for these examinations; however, you may be responsible for fees associated with failure to notify the examination office of your appointment cancellation within the required amount of time specified by the examiner. We may recover this fee by reducing benefits that are payable. We will not require more than a reasonable number of such examinations.

AUTHORITY TO INTERPRET POLICY

The following applies only when the administration of the policy is governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1001 et seq.:

When making a benefit determination under this group policy the Policyholder grants us full discretion and authority to administer claims and to determine your eligibility for benefits and to interpret and construe the terms and provisions of this policy. You have the right to request a review, to bring action at law or in equity, or to file a complaint with the Georgia Department of Insurance.

The Policyholder further grants us the authority to delegate to third parties, our affiliates, and any third party administrator with whom we have contracted to provide claims administration and other administrative services, the discretionary authority granted in the Policy. The Policyholder expressly grants such third party the full discretionary authority granted to us under this Policy.

You or your beneficiary has the right to request a review of our decision. If, after exercising the Policy's review procedures, you or your beneficiary's claim for benefits is denied or ignored, in whole or in part, you or your beneficiary may file suit and a court will review your or your beneficiary's eligibility or entitlement to benefits under the Policy.

STANDARD PROVISIONS

INSURANCE CONTRACT

The insurance contract consists of:

- a) the Policy, including this Certificate; and
- b) the Policyholder's application attached to the Policy.

The insurance contract may be changed (including reducing or terminating benefits or increasing premium costs) any time we and the Policyholder both agree to a change. No one else has the authority to change the insurance contract. A change in the insurance contract:

- a) does not require the consent of any Insured Person or beneficiary; and

 1. in writing;

No action at law or in equity will be brought to recover on this Policy prior to the expiration of 60 days after written notice of claim has been furnished in accordance with the requirements of this Policy. No such action will be brought after the expiration of 3 years after the time notice of claim is required to be furnished, unless otherwise required by state law in your state of residence.

CONFORMITY WITH STATE AND FEDERAL LAW

Any provision of the Policy which, on its effective date, is in conflict with the law of the federal government or the state in which an Insured Person resides on such date is hereby amended to conform to the minimum requirements of such law.

COORDINATION OF BENEFITS (COB)

If the Claimant is covered by another Plan or Plans, the benefits under this Policy and the other Plans will be coordinated. This means one Plan pays its full benefits first, then the other Plans pays.

The Primary Plan pays the benefits that would be payable under its terms in the absence of this provision.

The Secondary Plan will limit the benefits it pays so that the sum of its benefits and all other benefits paid by the Primary Plan will not exceed 100% of total Covered Expenses.

This COB provision will not apply to a claim when the Covered Expense incurred during a Claim Period is \$50 or less.

This COB provision will apply to the total amount of the claim if additional Covered Expense is incurred during such Claim Period and the total Covered Expense exceeds \$50.

The ORDER OF BENEFIT DETERMINATION provision below explains the order in which Plans must pay benefits.

ORDER OF BENEFIT DETERMINATION

When another Plan does not have rules coordinating its benefits with those of this Policy, or if it has coordination of benefits rules which differ from the rules described in this COORDINATION OF BENEFITS (COB) provision, that other Plan must determine benefits first.

When another Plan does have rules coordinating its benefits with those of this Policy, and those rules are similar to the rules described in this COORDINATION OF BENEFITS (COB) provision, the first of the following rules which applies will govern:

- a) If a Plan covers the Claimant as an employee, retiree, member, subscriber, or nondependent, then that Plan will pay its benefits first; except when:
 1. one Plan covers the Claimant as a laid-off or retired employee (or a Dependent of such person); and
 2. the other Plan includes this Coordination of Benefits rule for laid-off or retired employees (or is issued in a state which requires this Coordination of Benefits rule by law);then the Plan which covers the Claimant as other than a laid-off or retired employee (or a Dependent of such person) will pay first. If the other Plan does not have this Coordination of Benefits rule regarding laid off or retired employee rule, and if, as a result the Plans do not agree on the order of benefits, this rule will not apply.
- b) If the Claimant is a Dependent child whose parents:
 1. are not divorced or separated; or
 2. are divorced or separated, but the court decree states the parents will share joint custody without requiring one parent to be responsible for coverage;then the Plan of the parent whose birthday anniversary is earlier in the calendar year will pay first; except:
 1. If both parents' birthdays are on the same day, the rules in subsection d) below will apply.
 2. If another Plan does not include this Coordination of Benefits rule based on the parents' birthdays, but instead has a rule based on the gender of the parent, then that Plan's Coordination of Benefits rule will determine the order of benefits.
- c) If the Claimant is a Dependent child whose parents are divorced or separated (except when sharing joint custody), then the following rules apply:
 1. A Plan which covers a child as a Dependent of a parent who by court decree must provide dental coverage will pay first; provided that Plan has actual knowledge of the court decree.
 2. When there is no court decree which requires a parent to provide dental coverage to a Dependent child, or when the Plan covering the parent has no knowledge of the court decree, the following rules will apply:
 - a. When the parent who has custody of the child has not remarried, that parent's Plan will pay first.
 - b. When the parent who has custody of the child has remarried, then benefits will be determined by that parent's Plan first, by the stepparent's Plan second, and by the Plan of the parent without custody third.
- d) If none of the above rules applies, the Plan which has covered the Claimant for the longer period of time will pay its benefits first.

Where part of a Plan coordinates benefits and a part does not, each part will be treated like a separate Plan.

REQUEST TO COLLECT AND RELEASE NEEDED INFORMATION

In order to receive benefits, the Claimant may be asked to provide additional information needed to coordinate benefits. With the Claimant's consent, we may release to or collect from any person or organization any applicable coordination of benefits related information about the Claimant.

PLAN REIMBURSEMENT FOR THIRD PARTY PAYMENT

If benefits, which this Policy should have paid, are instead paid by another Plan, we will reimburse you. Amounts reimbursed will be considered to be benefits paid under the Policy and will be treated in the same manner as other benefits under the Policy in accordance with the terms of the Policy.

RIGHT OF RECOVERY

If the Policy pays more for a Covered Expense than is required by this COB provision, the excess payment may be recovered from the Claimant or any person whom the payment was made.

REIMBURSEMENT RIGHTS AND SUBROGATION RIGHTS

This section applies if you or your Dependent suffers a loss otherwise payable under the Policy that is the result of an act or omission of a third party.

If you or your Dependent has an injury or sickness caused by another person or organization's act or omission:

- a) we will pay benefits subject to our Reimbursement Rights and Subrogation Rights and on condition that you or your Dependent (or the legal representative of you or your Dependent):
 1. will not take any action which would prejudice our Reimbursement Rights or Subrogation Rights; and
 2. will cooperate in doing what is reasonably necessary to assist us in enforcing our Reimbursement Rights or Subrogation Rights.
- b) our Reimbursement Rights or Subrogation Rights will not be limited or reduced because:
 1. the recovery does not fully compensate you or your Dependent for all losses sustained or alleged; or
 2. the recovery is not described as being related to medical or dental costs or loss of income.
- c) we may enforce our Reimbursement Rights or Subrogation Rights by filing a lien with the other person or organization, their insurer or another insurer, a court having jurisdiction in this matter or any other appropriate party.
- d) the amount of our reimbursement will not be reduced by legal fees or court costs incurred in seeking the recovery, unless we agree otherwise in writing.
- e) we may elect to charge any reimbursement due us under this section against any future benefit payments for you or your Dependents under the Policy.

RIGHT OF RECOVERY

If you or your insured dependent has a claim for loss or a right to recover damages from a third party or parties for any loss for which benefits are payable under the policy, we may have a right of recovery.

Our right of recovery will be limited to the recovery of any benefits paid for identical covered dental expenses under the policy, but will not include non-dental items. Money received for future dental care or pain and suffering may not be recovered. Our right of recovery may include compromise settlements.

You or your attorney must inform us of any action or settlement agreement at least ten (10) days prior to settlement or trial. We will then notify you of the amount we are seeking to recover for benefits paid. Our recovery may be reduced by the pro-rata share of your attorney's fees and expenses of litigation.

- b) the 90th percentile as identified by the Dental Charges Database (DCD). When there is minimal data available from the DCD for a Covered Service, we will determine the Out-Network Allowance by calculating the unit cost for the applicable service category using the DCD, and multiplying that by the relative value of the Covered Service based upon a commercially available relative value scale selected by us. In the event of an unusually complex Covered Service, a Covered Service that is a new procedure or a Covered Service that otherwise does not have a relative value that is in our determination applicable, we will assign one.
